Portuguese

👤 Profile

My name is Alexsander, I am 20 years old and I'm on my way to be a great Fron-end developer someday. I'm studying a lot to get the most knowledge possible and I'm loving the art of coding, in my freetime I use to play some d&d or search for inspirations to my projects.

💼 Projects

2024 December

My Portfolio
https://alexonn1.github.io/Portfolio-V1/
- Putting all acquired knowledge into practice
- Done using good practices

2024 September

Sieg Portfolio
https://alexonn1.github.io/Sieg/
- A Portfolio made for a Graphic Designer
- Focused on show his projects and tell about him

2024 November

Landing-page
https://alexonn1.github.io/landing-page-com-grid/
- I used this project to test some things I studied
- It served as inspiration for my portfolio

2024 June

Rpg Organization
https://alexonn1.github.io/OrganizacaoRpg/
- My first personal project
- At the time, I was putting into practice what I had learned.
- The idea was to create a page to organize information for a d&d campaign

📖 Interests

- D&d
